**ADMINISTRATIVE LAW JUDGE'S RULING
CORRESPONDING POST CARD TEXT
REGARDING 310 AREA CODE MEETINGS**

This ruling provides correction and clarification as to the attachment to the Administrative Law Judge's Ruling of April 1, 2005, regarding the text for the post card notice of public and local jurisdiction meetings to discuss the 310 area code plans.

In the body of the April 1st ruling, the starting time for the April 26th Local Jurisdiction meeting in El Segundo is correctly shown as 10:00 a.m. in the morning. In the attachment reciting language for the post card notification, however, the starting time for Local Jurisdiction meeting is incorrectly shown as 10:00 *p.m. in the evening*. The correct starting time for the Local Jurisdiction meeting in the post card notice should have been shown as 10:00 a.m. in the morning.

Parties are hereby notified of this correction, and telecommunications carriers posting information on their web sites and sending outpost card notices of the meetings, as directed in the April 1st ruling, shall reflect the correct starting time of 10:00 a.m. for the local jurisdiction meeting in El Segundo.

Also, the last sentence of the text for the post card notice states: "More information about the back-up plan and the overlay are available on our web site at [insert U.R.L.]." This sentence should be amended to read: "More information about the back-up plan and the overlay are available on the Commission web site at cpuc.ca.gov." Carriers shall incorporate this modification in preparing the post card notices.

IT IS RULED that telecommunications carriers sending out post card notices regarding the 310 area code public and local jurisdiction meetings, pursuant to the April 1, 2005 ruling, shall reflect the corrected information as set forth above.

Dated April 4, 2005, at San Francisco, California.
